This map illustrates service schedules in business days of July 2020 for FedEx Ground Shipments

The Service Maps and charts are a general representations of transit. For more accurate transit quotes visit [Shipping Rates and Delivery Times](#) on fedex.com

Please note:

- For FedEx Ground, a business day does not include Saturdays, Sundays, or holidays.

Example: You ship a package on Monday that takes 2 business days to arrive. You do not count the day you ship as a business day, so your package would arrive on Wednesday, the second business day after the ship date.

- The transit schedules provided in this application do not include additional days required for customs clearance or deliveries in rural or extended delivery areas. Please call 1.800.Go.FedEx (1.800.463.3339) for complete origin to destination transit schedules.
